ALANKAR PUBLICATION is a well-known publishing house. The company was established in 2012 with a team of experienced and creative professionals. We are dedicated to creating content for children that is both educational and entertaining, supported with colourful and engaging illustrations. All our books follow the guidelines of **NEP 2020**.

We have successfully served more than 1500 clients. Our approach is honest, practical and customer focused. We believe in building relationships with our clients.

With a team of over 50 highly skilled and qualified professionals, **ALANKAR PUBLICATION** has grown into a strong and trusted name in the book publishing industry.

Nursery

This set of books will help to improve your little kids' motor skills and hand-eye coordination. In addition, the worksheets of tracing exercises and creative activities will help the little champ to develop early writing skills.

Junior KG

This set of books with bright illustrations and examples complementing the text will help the child easily grasp key concepts and identify everyday objects.

Senior KG

This set of books will help the young learners to understand the concept more quickly and vividly. The information given in the books take the children from the blank slate stage to developed personality.
